PREFACE.

THE Society is indebted to Mr. Horatius Bonar, W.S., for obtaining the copy of this Register of Baptisms and Marriages of the Parish of Kilbarchan, and to Mr. James Caldwell, County Clerk, Paisley, the owner thereof, for allowing the use of it for the purpose of being indexed. The transcript was made by the late Mr. James Caldwell, Writer, Paisley, Mr Caldwell's father.

The Register of Baptisms begins on 16th March 1651, and continues to 31st October 1662, when it is blank to October 1672, "Mr. John Stirling, minister, being by the civil authority with the rest of the ministers of the Presbyterian Judgment thrust from his charge, the children's names baptised by those of the Prelatick Judgment are not here recorded." The Register is continued to 15th July 1683, when "Let it be remembered that from the years 1683 to 1688, viz., 6th June, there was no Presbyterian minister settled in this paroch, and the name of these that were baptised or married by the prelatick incumbent are not here recorded, nor did we ever see any of their Registers of Mr. David Pearson's or Mr. Archibald Wilsoun's, who were both Prelatick ministers in Kilbarchan for several years."

"Upon the 16th day of June we left the meeting house and took up the church 1689."

Then follows the baptisms from the ordination of Mr. James Stirling, 6th June 1688 to 4th May 1699. After June 1700 the Register is a copy made in 1760 as appears from the following note:—"1760. The old book from which this was copied having been badly kept, and a great deal of it quite loose and some of it lost, there was no name found from Feb. 28th 1756 to May 30th 1760.—W. M." The original is extant for 1740–60, but the copy is continued after 1760 as the principal Register. The Register is also blank from 25th Feb. 1711 to 1st June 1740

except three entries for the years 1712, 1714 and 1716. Mothers names are not recorded till October 1672, and again omitted June 1688 to March 1689. Mr. Caldwell's transcript of baptisms ends 29th December 1769.

The Register of Marriages commences on 22nd December 1649, being the entry of Mr. John Stirling as minister, and is blank from March 1651 to February 1652, 31st October 1662 to 6th October 1672, for reason above mentioned, from July 1683 to June 1689, and from July 1694 to 18th July 1740, from which date it is complete. The date of the marriage is given before 1694, but after that it is that of Proclamation of Banns. Mr. Caldwell's transcript of the Marriage Register ends 18th December 1772.

Par. means parish or parishioner. *W.* means witness, and where two dates are given the second is that of baptism.
